GITHUB

The screenshot shows the GitHub profile page for user 'zanardigit'. The page layout includes a navigation bar at the top with 'Explore', 'Gist', 'Blog', and 'Help' links. The user's profile information is on the left, featuring a profile picture, the name 'zanardigit', and the join date 'Oct 17, 2012'. Below this are statistics for followers (1), starred repositories (0), and following (0). The 'Organizations' section shows a single organization with a purple logo. The main content area is divided into three columns: 'Popular repositories', 'Repositories contributed to', and 'Your Contributions'. The 'Popular repositories' list includes 'zoo-language', 'userstories', 'fof', and 'joomla-cms'. The 'Repositories contributed to' list includes 'gibilogic/autoadd', 'dbhurley/fof', 'joomla/joomla-cms', 'akeeba/fof', and 'yootheme/zoo-language'. The 'Your Contributions' section features a heatmap for the year 2012, showing activity from October to September. Below the heatmap are three summary boxes: '32 Total' contributions for the year, '2 days' longest streak, and '0 days' current streak.
